

# School Meal Eligibility – 2015-16 Verification Process

Verification is the process by which districts confirm the eligibility of a sample of approved applications for free and reduced-price school meals. Further verification details can be found within the [USDA' Eligibility Manual](#).

## Key Dates:

**October 1<sup>st</sup>** – Record the number of approved **applications** for each category on the verification form. Then calculate the number of applications to verify and send the household verification letters.

**October 31<sup>st</sup>** – Record the number of eligible **student** categories approved

**November 15<sup>th</sup>** - Deadline to complete the household verification process. Submit the verification form by Nov 16<sup>th</sup>.

## New Electronic Verification Form

Submit the SFA Verification Collection Report to OPI online through the CNPweb system. The new verification form will be available once the October claim for reimbursement has been submitted.

### Features of the New Verification Form

The new electronic form will automatically fill in some of the items and data fields for you. Items such as the SFA Name & ID, SFA City, Zip Code and the Number of Schools will be automatically populated on the electronic verification form. The number of Directly Certified students will be a suggested minimum number that will also auto-populate. Edit checks have been built into the form to correct data entry errors.

**Paper versions of the verification form will not be accepted.** The PDF/paper version of the form is available for use as a worksheet only. Please submit the verification information online using the CNPweb system where reimbursement claims are entered.

Use the [paper copy](#) of the Verification form as a worksheet to record counts.

## October 1<sup>st</sup> – Count Applications & Begin Household Verification Process

Record the number of approved **applications** for each category as of October 1<sup>st</sup> (Sect 4 Column A)

4-1 Tip: Categorically Free Applications are those that have listed SNAP, TANF (case number), FDPIR or Foster categories but were not found or confirmed as directly certified in the DCA system. In other words proof of eligibility has not been confirmed by agency records and therefore they are subject to verification.

## Determine the Number of Applications to Verify

The applications listed in section 4 are subject to verification because proof of eligibility has NOT been established. Total the number of **applications** reported in section 4, column A. This is your total number of applications in the pool subject to the verification process. Take the total number of applications and multiply by .03 (3%). This calculation equals the number of applications you will need to verify. Round all decimals up to the next whole number. See example below.

### Calculation Example

Section 4	Students approved as FREE or REDUCED PRICE eligible through a household application	<b>**ALL SFAs collecting applications must report Section 4**</b>	A. Number of Applications
		4-1: Approved as categorically FREE Eligible: Based on those providing documentation (e.g. a case number for SNAP, TANF, FDPIR on an application)	1
		4-2: Approved as FREE eligible: Based on household size and income information	24
		4-3: Approved as REDUCED PRICE eligible: Based on household size and income information	17

$$\begin{array}{rcl} \text{Section 4 Column A Total} & = & 42 \\ & & \times .03 (3\%) \\ \hline & & 1.26 = 2 \end{array}$$

In this example 2 applications should be randomly selected for the verification process **1.26 = 2** (round up)

## Method of Verification

Depends on the percent of households who responded to last year's verification process.

- If during last year's verification process, at least 80% or more of the households responded, your district may conduct the Random (Alternate One) method and randomly select 3% of the applications on file to verify.
- If during last year's verification process, less than 80% of the households responded to the verification process, your district is required to conduct the Error Prone (Standard) method and select 3% of applications considered "error-prone" to verify.

## Verifying Household Applications

- Prior to sending the verification letters to the household(s), conduct a confirmation review of the application(s) selected for verification to ensure initial determination was accurate.
  - Must be a person other than the official who made the initial eligibility determination.
  - Document review by the "confirming signature" line of the selected application.
- Send the prototype "Notification of Selection for Verification" letters to selected household(s)
- Gather/confirm household's proof of eligibility responses
  - Households have 10 days to reply. If no reply, follow-up contact at least 1x (document)
- Send the prototype "Notification of Verification Results" letter to the households
  - If verification results in higher benefits (e.g., a child who is moved from the reduced price to free category), the change is effective immediately and must be implemented no later than 3 operating days later.
  - If verification results in reduced or terminated meal benefits, households must be given 10 calendar days' written advance notice of the change (continue benefits for 10 calendar days).
- Document household responses/nonresponses in section 5-8 on the Verification form

## October 31<sup>st</sup> Record Students Counts

Report the number of approved **students** as of October 31<sup>st</sup> for each category (Sections 1 – 4 Column B) and record counts on the [Verification form](#). An updated direct certification report should be reviewed just prior to the October 31<sup>st</sup> counts to ensure the most up-to-date data.

**Section 1 – Enrolled Student Counts** - This section will auto-populate into the online form in CNPweb.

### Section 2 – This section is applicable to CEP/Provision 2 Sites Only

Although sites with CEP/Provision 2 are exempt from the verification process, an October 31<sup>st</sup> student count is required.

**CEP sites** – This data will auto-populate for you

**Provision 2 sites** - Record the number of Prov 2 sites and students in 2-2A & B (non-base year).

**2-2aB:** Multiply the most recent Prov 2 base year FREE percentage by the enrollment reported in 2-2B.

**2-2bB** Multiply the Prov 2 base year REDUCED PRICE percentage by the enrollment reported in 2-2B.

If ALL school sites are Provision 2 or CEP, check 3-1 & 5-1 and you are finished.

If only SOME school sites participate in Provision 2 or CEP, report as follows:

- Section 3-2: Report SNAP-only direct certification data for the schools NOT participating in CEP/Provision 2.
- Report remaining fields and all other applicable Sections of the FNS-742 for schools NOT participating in CEP/Provision 2/3.

## Section 3 – Validated/Directly Certified Student Counts - **October 31<sup>st</sup>**

Students can only be counted as being in one category. Students in Section 3 are NOT subject to verification because proof of eligibility has been established

**3-1:** Leave 3-1 blank (unless *all* school sites are CEP/Provision 2 or RCCI)

**3-2 B:** SNAP Directly Certified Students confirmed through DCA system

- **SNAP always supersedes** – SNAP students directly certified through the DCA system supersede other eligibility categories. For instance, if a student is directly certified with SNAP as well as with another program (e.g. TANF or homeless), count the student as direct cert SNAP in 3-2. *The suggested number will auto-populate for this item.*

**3-3 B:** Students Directly Certified by other source categories: TANF, FDPIR, homeless, migrant, runaway & foster (proof of participant eligibility confirmed by source or through DCA system). *The suggested number will auto-populate for this item.*

**3-4 B:** Categorically Free Students by household submission of SNAP letter only. Letters that have been validated in the DCA system as directly certified should be counted as SNAP directly certified in 3-2 B.

		<b>**ALL SFAs must report Section 3 or check box 3-1 if applicable**</b>	<b>B. Number of FREE Students</b>
<b>Section 3</b>	<b>Students approved as FREE eligible NOT subject to verification</b>	<b>3-1:</b> <input type="checkbox"/> Check the box only if all schools and/or RCCIs in the SFA were not required to perform direct certification <b>with SNAP</b> (i.e. NON BASE year Provision 2/3 for all schools)	
		<b>3-2: Students directly certified through Supplemental Nutrition Assistance Program (SNAP):</b> <i>Do <u>not</u> include students certified with SNAP through the letter method.</i>	121
		<b>3-3: Students directly certified through other programs:</b> <i>Include those directly certified through Temporary Assistance for Needy Families (TANF), Food Distribution Program on Indian Reservations (FDPIR), or Medicaid (if applicable); those documented as homeless, migrant, runaway, foster, Head Start, Pre-K Even Start, or non-applicant but approved by local officials. <b>DO NOT include SNAP students already reported in 3-2.</b></i>	6
		<b>3-4: Students certified categorically FREE eligible through SNAP letter method:</b> <i>Include students certified for free meals through the family providing a letter from the SNAP agency.</i>	1

## Section 4 – Categorically Free and Income Eligible Student Counts - **October 31<sup>st</sup>**

Application counts are as of October 1<sup>st</sup>

**4-1 B:** Categorically Free Students approved by household listing case number (SNAP, TANF, FDPIR or Foster Care) but NOT confirmed as directly certified (not found in DCA). Foster students that have NOT been confirmed through source records are also counted in section 4-1. **Students reported as Categorically Free have NOT been directly certified; proof of eligibility has not been confirmed by the source or agency records.** Categorically Free Students that have been confirmed from source records/DCA system are considered directly certified and should be recorded in section 3-2 (SNAP direct cert) or 3-3 (other source direct cert).

**4-2 B:** Free income based Students

**4-3 B:** Reduced-Price Students

<b>Section 4</b>	<b>Students approved as FREE or REDUCED PRICE eligible through a household application</b>	<b>**ALL SFAs collecting applications must report Section 4**</b>	<b>A. Number of Applications</b>	<b>B. Number of Students</b>
		<b>4-1: Approved as categorically FREE Eligible:</b> <i>Based on those providing documentation (e.g. a case number for SNAP, TANF, FDPIR on an application)</i>	1	3
		<b>4-2: Approved as FREE eligible:</b> <i>Based on household size and income information</i>	24	35
		<b>4-3: Approved as REDUCED PRICE eligible:</b> <i>Based on household size and income information</i>	17	30
<b>T-1: Total FREE Eligible Students Reported:</b>		166	<b>T-2: Total REDUCED PRICE Eligible Students Reported:</b> 30	

## Section 5 – Verification Process

**5-1:** Check the box *unless all* school sites are exempt from the verification process. Verification exemptions school sites: Community Eligibility Provision (CEP), Provision 2, Residential Child Care Institutions and Milk only schools.

**5-2:** Please ensure that the verified application process is completed by November 15<sup>th</sup>.

If you are unable to complete the verification process by November 15, the district must submit a written request to this deadline. See [the Verification Deadline Extension Request Form](#).

**5-3:** For further information, see page 2 for the Method of Verification details and reference the Eligibility Manual.

**5-4:** Only report the number of Error-Prone Applications on file **if** your district had to conduct the Error-Prone method of Verification.

The results of the applications verified should be reported by category originally approved for and indicated within the appropriate row stating changes or no changes to their original benefit.

**VC-1:** If any applications were verified "for cause" outside of the verification process (NOT part of the required sample size). Report the number of applications verified for cause and include the results in the appropriate category in 5-8.
